

Key services to disable:

✓	Service Name	Function	State	
	Application Host Helper Service	Application Experience functionality	Disabled	
	Application Management	Manages UX	Disabled	
	ASP.NET State Service	Monitors ASP.NET framework	Disabled	
	Bitlocker Drive Encryption	Bitlocker functionality	Disabled unless needed on image	
	Bluetooth support service	Bluetooth	Disabled	
	Branchcache	Cross-host caching	Disabled	
	Certificate Propagation Service	Smart card cryptography	Disabled	
	Computer Browser	Network discovery protocol	Disabled	
	HomeGroup listener	Homegroup functionality	Disabled	
	HomeGroup provider	Homegroup functionality	Disabled	
	IIS Admin Service	Web server administration	Disabled unless needed on image	
	IIS	Web server	Disabled unless needed on image	
	IP Helper	IPv4 and IPv6 autoconfig/help	Disabled	
	Internet connection sharing (ICS)	Internet connection sharing	Disabled	
	LPD Service	Legacy printing. Cannot be disabled on win10 (maybe?)	Disabled	
	Media Center Extender Service	Media server mirroring	Disabled	
	Message Queuing	Messaging over IP	Disabled	
	Microsoft FTP Service	File Transfer Protocol	Disabled unless needed on image	
	Microsoft iSCSI Service	iSCSI	Disabled	
	Net.Msmq Listener Adapter	MSMQ TCP adapter functionality	Disabled	
	Net.Pipe Listener Adapter	Pipe adapter functionality	Disabled	
	Net.Tcp Listener Adapter	TCP adapter functionality	Disabled	
	Net.Tcp Port Sharing Service	Port sharing functionality	Disabled	
	Netlogon	Manages domain logins for Workstation scv.	Disabled unless needed on image	
	Offline Files	Offline filesharing functionality	Disabled	
	Remote Access Auto Connection Manager	RDP dependency	Disabled unless needed on image	
	Remote Access Connection Manager	RDP dependency	Disabled unless needed on image	

	Remote Desktop Configuration	RDP dependency	Disabled unless needed on image	
	Remote Desktop Services	RDP host service	Disabled unless needed on image	
	Remote Desktop Service Usermode Port Redirector	RDP networking functionality	Disabled unless needed on image	
	Print Spooler	Printing	Disabled	
	Remote Access Management connection manager	Consolidation for remote desktop functionality	Disabled unless needed on image	
	Remote Registry	Remote Access to registry	Disabled	
	RIP Listener	Distance vector routing functionality	Disabled	
	Routing and Remote Access	Routing for remote access protocols	Disabled	
	RPC Locator	RPC network discovery	Disabled	
	Server	File and Printer sharing on LAN	Disabled unless needed on image	
	Secondary Logon	Allows concurrent logons	Disabled	
	Simple TCP/IP services	Legacy internet functionality	Disabled	
	SNMP service	Mailing	Disabled	
	SNMP trap	Mailing infrastructure/backbone functionality	Disabled	
	Web Management Service	IIS management	Disabled unless needed on image	
	Windows Media Player Network Sharing	Limited media server functionality	Disabled unless needed on image	
	Telnet	Remote console functionality	Disabled unless needed on image	
	TFTP	File Transfer Protocol	Disabled unless needed on image	
	Windows Remote Management	Remote Desktop	Disabled unless needed on image	
	(win10 only) XBOX services	X-Box dependencies	Disabled	
	(win10 only) Application Layer Gateway Service	Legacy and unneeded	Disabled	
	(win10 only) Client for NFS	Network filesystem client	Disabled unless needed on image	
	(win10 only) Interactive Services Detection	Compatibility	Disabled	
	(win10 only) Natural Authentication	Biometric authentication	Disabled	
	(win10 only) Microsoft Keyboard Filter	iSCSI compatibility	Disabled	

(win10 only) Multipoint repair service	Distributed LAN server functionality	Disabled	
(win10 only) Multipoint Service	Distributed LAN server functionality	Disabled	
(win10 only) Peer Name Resolution Protocol	DNS discovery for peer-to-peer functionality	Disabled	
(win10 only) Peer Networking grouping	Peer-to-peer networking functionality	Disabled	
(win10 only) Peer networking identity manager	Peer-to-peer networking functionality	Disabled	
(win10 only) Printer extensions and notifications	Printing	Disabled	
(win10 only) Retail demo service	Retail demo functionality	Disabled	
(win10 only) Shared PC Account manager	Laptop/Tablet functionality (portable computers)	Disabled	
(win10 only) Spatial Data Service	Bing APIs	Disabled	
(win10 only) User Profile Service	Active directory logon	Disabled
